## COFFEE CUP SLEEVE

### *Product Description*

The PS-1 paper coffee cup sleeve, constructed from a single 8.5"x11" sheet of blue 110-lb cardstock paper, surrounds the coffee cup, keeping drinks warm and protecting hands from hot liquids. Simple fastening tabs allow for quick, easy assembly while the rigid handle simulates the grip of a typical ceramic mug. Its unique, two-piece design provides a stylish alternative to the ordinary paper coffee sleeve.

### *Product Features*
