

ACRYLICUP PS-2

COFFEE CUP HANDLE

MOODY JUDY, INC.

PRODUCT DESCRIPTION

Inspired by the Gothic Revival architecture popular during the late 1800s, the AcryliCup PS-2 Coffee Cup Handle provides a unique, unconventional coffee drinking experience. Constructed from a single piece of 1/8" thick acrylic sheet, the sturdy, comfortable handle is bent skillfully into its shape and features various artistic elements. The environmentally friendly production process minimizes material use, saving our planet one coffee cup handle at a time.
