

BOOMbox

PRODUCT DESCRIPTION

Instantly convert one container into a four-compartment organizer with the BOOMbox transforming box lid! Constructed from durable black poster-board, the two-piece box transforms from a small 3"×3"×1.5" covered storage box to a four-compartment open box, ideal for organizing small objects such as paper clips or change. Simply unfold the lid, tear along the perforated edge, and re-fold to form the divider. The BOOMbox is guaranteed to provide a quick, easy solution to numerous storage needs.
